

Automation and Control Products

Line Sheet from Process Solutions Corp.

- Intrinsically Safe Options; SIL 2 & 3
- Signal Conditioning with ModBus Connectivity
- Universal and Temperature Transmitters, Isolators
- Smart Safety Converters, Frequency Converters
- Digital Displays (LED, LCD); Easy Programming

- All-in-One Controllers, HMI, I/O, and Networking
- Remote Monitoring and WebMI
- Free HMI / Logic Configuration Software (Cscope)
- Local and Remote I/O, EthernetIP I/O
- Industrial Lighting, HazLoc, Task Lights
- UL Class I, Div 2; Sunlight Readable Display
- Compatible with AB Protocol, SAE J1939

- Industrial Ethernet Switches (with RJ45 & Fiber)
- Cellular Modem & Routers, Protocol Converters
- HMI Displays & Panel Meters
- ProductVity Station, Data Station

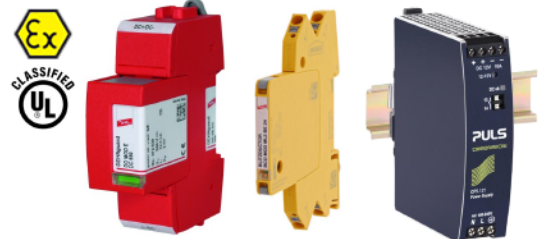

- Industrial Remote Access Routers and Data Gateways
- Secure VPN Remote Access to PLC, HMI, IPC, and more
- Serial, CAN, or Industrial Ethernet
- Data Logging and Retrieval; UL Class I, Division 2

- Wireless Monitoring via Transmitters for any Sensor
- Long Range (up to 7 miles) Even in Obstructed Areas
- Data Logging, Integration to DCS, PLC, SCADA
- No Monthly Fees or Subscriptions Required

- Turnkey Solutions for Lightning & Surge
- Signal, Data, AC, Telecom., Power Protection
- External Lightning Protection for Facilities
- DIN Rail and Field Power Supplies
- Circuit Breakers, Batteries, Power Converters
